Hannah Roberts

Dear Hannah,
 To our daughter who we are so proud of. For the courage you demonstrated, taking on a new challenge halfway through your junior year. Moving to Omaha, starting a new path at school and leaving behind your best friends. Ever since you were little you have always been very independent, grounded and not afraid to be yourself. We will miss the everyday contact we have shared with you for the past 17 years. You bring so much life and laughter to our home with your fun personality and your loyalty to the entire family. Whatever you choose to do in the next phase of your life we know you will go far!! Always be true to yourself!! Never give up on your dreams and follow your heart!!

We love you very much!
